A Grand Celebration

Grandparents' Day was an opportunity for us to honor the wisdom, love, and invaluable contributions of the seniors in our lives. Our event was full of laughter and joy, as residents and families gathered for an afternoon of carnival-themed fun. Activities were designed for all ages – from engaging crafts and carnival games to face painting and, of course, food!

By celebrating grandparents—and all who have served in this role—we have created lasting memories and strengthened bonds between the generations.

Trek or Treat

Why "trick" when you can "trek?"

Instead of going door to door like traditional trick-or-treating, our residents had the opportunity to "trek" around our beautiful courtyard, stopping for various treats along the way. Adding to the fun were all the creative costumes on display. The Life Enrichment department organized a Costume Contest to honor the most elaborate outfits!

Howdy, Partners!

A genuine Cowboy Party was a great excuse to break out our hats, boots, bandanas, and country western tunes. We ate, danced, and exclaimed, "Yee-haw!"
